Ceiling centers

Infinite possibilities
to enrich every corner

Ceiling centers are an excellent way to add visual interest to the ceiling while framing the base of a ceiling fan or chandelier. Made of various materials, they are lightweight and easy to install.

Petra's design decorative ceiling centers range in size, and usually have center holes to fit around ceiling fixtures.

They are available in a wide range of ornamental styles; choose one to fit your fixture and decorative needs.

Rosettes & Ornaments

Infinite possibility

Rosettes and Ornaments

are sculpted for both interiors as well as for exteriors.

*Garlands can either offer an interesting focus
inside panel mouldings, or enhance rooms at high
level, adding beauty, particularly appropriate in
romantic bedroom settings.*

*The ribbon and bow designs are ideal wall
decorations for upscale interiors.*

The timeless simplicity

These rosettes design shows equally well in both exterior and interiors.
Each piece gracefully extends the elegance of leaving rooms and
entertaining halls.
